RE: Substitute Unit Well Request  
BOL M RA SU B  
PERRY POINT FIELD  
Acadia, Lafayette and Vermilion  
Parishes, Louisiana

Dear Sir:

Application is hereby made on behalf of LLOG Exploration Company to the Commissioner of Conservation for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the BOL M RA SU B, in the Perry Point Field, Acadia, Lafayette and Vermilion Parishes, Louisiana.

1. To designate the LLOG Exploration Company - W.C. Petry No. 1 well as a substitute unit well for the BOL M RA SU B at the location shown on the attached plat which is in compliance with the well spacing provisions of Office of Conservation Order No. 448-D-2, effective September 1, 1972.

2. To designate LLOG Exploration Company as operator of the BOL M RA SU B.

3. To consider such other matters as may be pertinent to this application.

The current unit well for the BOL M RA SU B, the Redman Operating Company - Zula Leger No. 2 well (WSN 177789), ceased to produce in November 1998, and the designation of the LLOG Exploration Company - W.C. Petry No. 1 well as a substitute unit well will allow the recovery of remaining hydrocarbons within the established unit which would otherwise be lost.

The Bolivina Mexicana Sand in the Perry Point Field, Acadia, Lafayette and Vermilion Parishes, Louisiana, was fully defined in Order No. 448-D, effective September 9, 1970.

In addition to furnishing the legal notice to all Interested Parties, the applicant will provide for posting of the legal notice of the hearing and unit plat in a prominent place in the area of the Perry Point Field, Acadia, Lafayette and Vermilion Parishes, Louisiana. Also, the legal notice will be published in a newspaper of general circulation in the vicinity of the Perry Point Field.

There is attached hereto and made a part hereof, a list of the names and addresses of the Interested Parties, Interested Owners and Represented Parties to whom this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. The aforementioned list is available upon request to any Interested Party. A diligent effort was made to ascertain the names and addresses of all Interested Parties, Interested Owners, and Represented Parties as required by the Revised Rules of Procedure.

There is attached hereto a check made payable to the Office of Conservation, representing the required hearing application fee on behalf of LLOG Exploration Company.

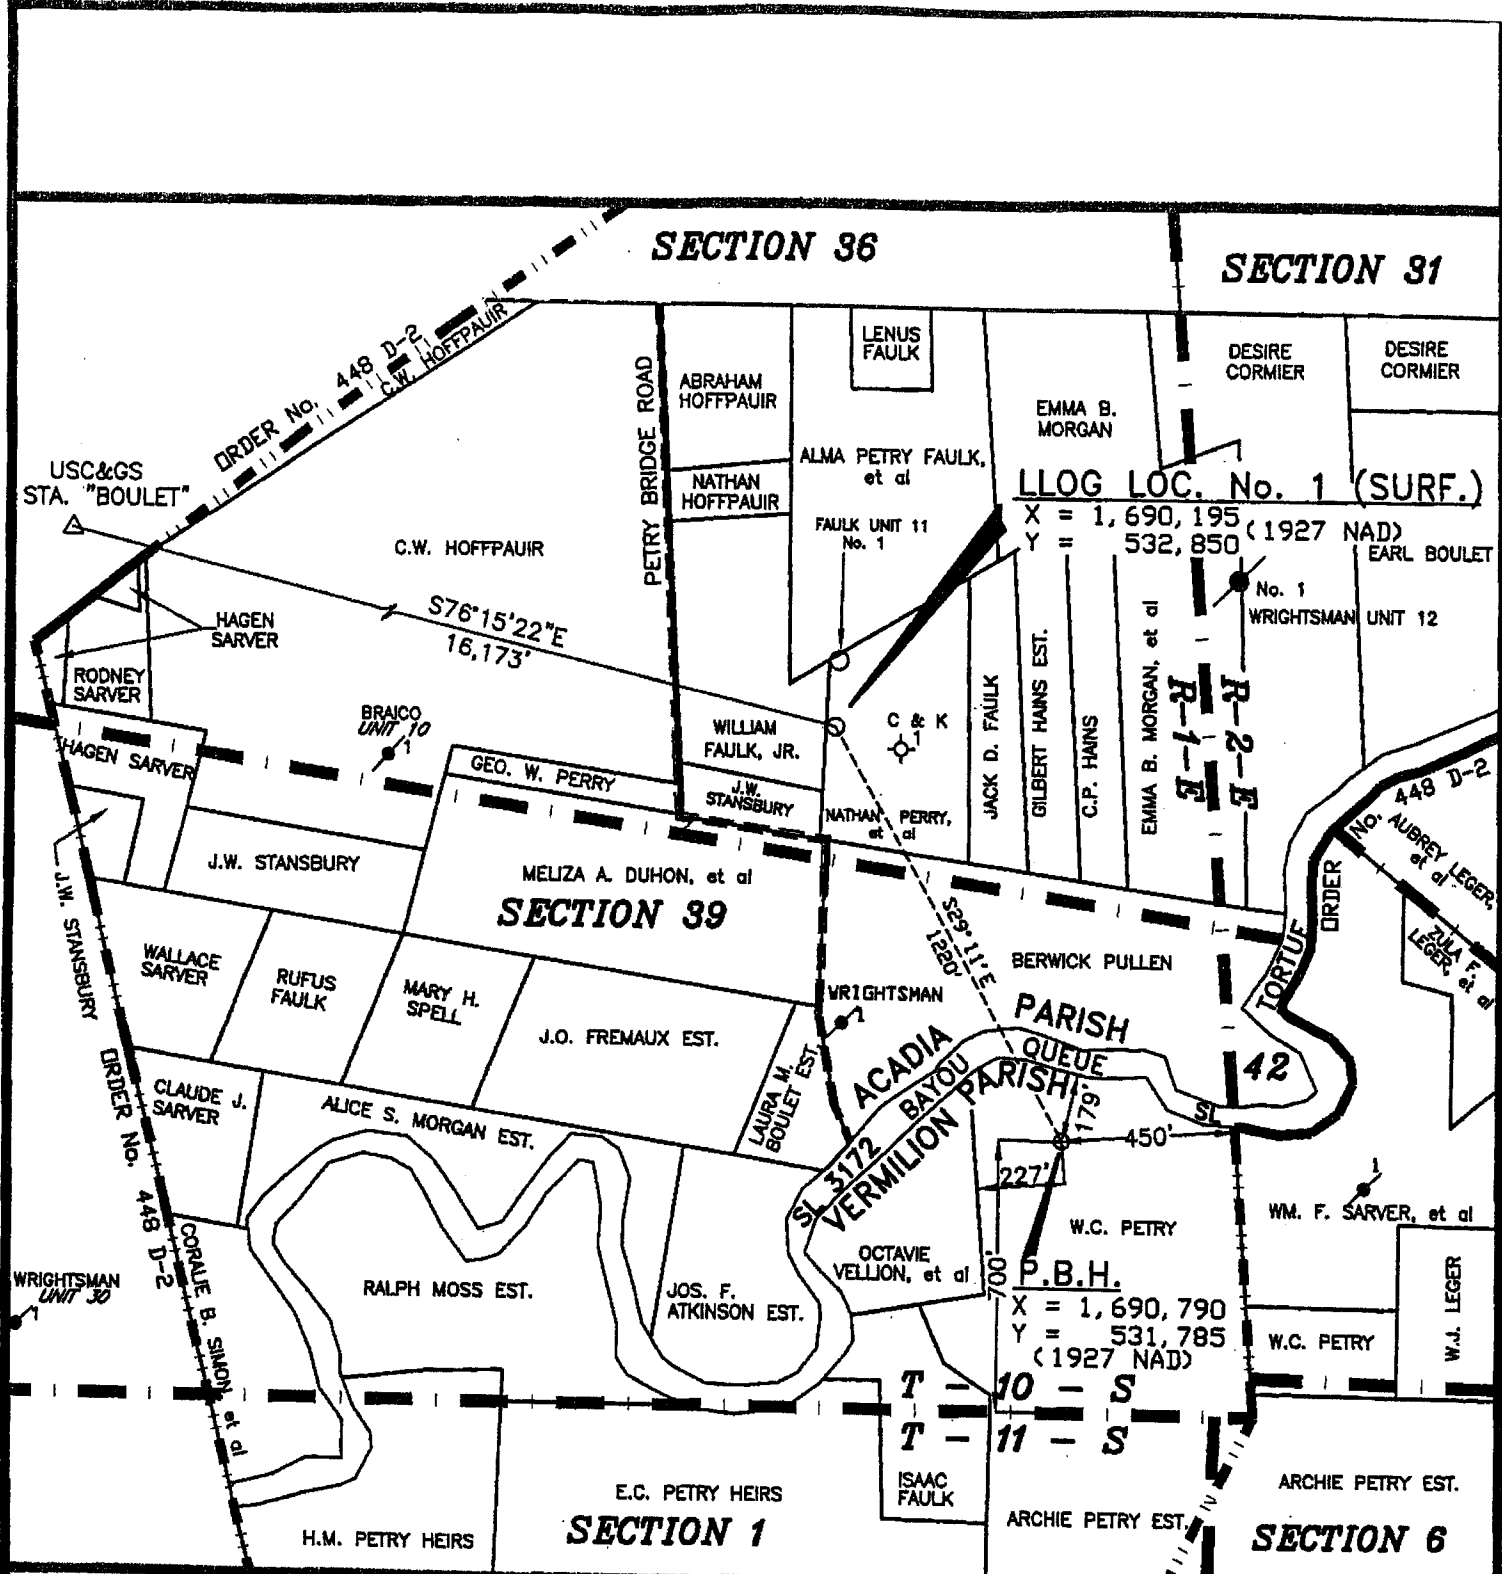

Very truly yours,

LOUIS GILBERT & ASSOCIATES, INC.

  
Louis F. Gilbert
